## **Letter from our President**

Hello Everybody!

I hope you all had a great Halloween and will have a wonderful Thanksgiving. It's hard to believe that Christmas is on the doorstep already. My how time flies!

Jean Brackett will be leading the meeting because unfortunately, your beloved El Presidente, (that would be me), cannot be there due to a test in my E-commerce class at Rose State. I am not at all happy about missing a meeting, but I would be much less happy getting a bad grade in my college class. I will see you at the Christmas Party in December. Please discuss and plan the Christmas Party at our next meeting. The info that I can remember is that it will be held on the last Tuesday of December at Jude Delaney's house and it will be a potluck dinner so bring the vittles and also family is invited as well.

I have to take time now to apologize to J.R. for losing track of the officer's meeting date that we had scheduled at his house. We were going to make decisions on the prospectus for the Art Show we are going to have at the Science Museum. Unfortunately, between the two professors at the college, who believe that I have stopped everything in my life in order to take their classes, I totally lost track and to make matters worse, I could not speed and make it to the meeting because we suddenly had a mid-term test to take and turn in that very night. If I had more notice I could have at least cancelled the meeting.

I bring this up because I would like you guys to talk about the prospectus and hopefully make some

Decisions for the Science museum show, "The Magic of Colored Pencil". I don't want to fall too far behind on the schedule, and we may already be at that point.

The Art Show next summer at the Science Museum Oklahoma, "The Magic of Colored Pencil", is going to require everybody to participate. This is a huge area that we have and we can easily place 100 works of art there. I know that you all understand that this is our "coming out" event and after that, it will be very public knowledge that there is a CPSA group in Oklahoma!

Missouri! Yes, it's a state in the USA, but better then that, I was contacted by an individual who was at first talking about joining our group because we are the closest chapter to her. Instead she de3cided to start her own chapter in Missouri and has been in contact with the National and they have approved. The first major thing she said she would like to do a joint art show with Oklahoma and Missouri! This will be lots of fun! I'll certainly keep you all informed. I don't have any dates or firm info yet.

I am looking forward to seeing you all at the December Christmas Party so until then. take care!

God Bless,  
David McBride, President
